Roosevelt 34 Birch Log

*Warmth,
Elegance,
Efficiency!*

Roosevelt 34 Traditional Oak Log

Beach Accent Driftwood Log

Roosevelt 34 is 23.5" tall and 34" wide and will fit into most masonry or larger fireplaces. 40,000 BTU input with a "grand-stand" flame picture, ember-bed light kit, and a split flow back burner. Blower and full function IPI Pro Flame 2 remote are included.

Roosevelt 29 is only 19.5" tall and 29" wide and will fit into most every fireplace. 30,000 BTU input with a "grand-stand" flame picture, ember-bed light kit and a split flow rear burner. Blower and full function IPI Pro Flame 2 remote control included.

Three different log sets are available in both sizes: Traditional Oak logs, Birchwood logs and Beach Accent Driftwood logs. Select from five different firebox liners including Chicago Brick, Western LedgeStone and Black Glass.

Order and display a new Roosevelt insert or two in your showroom today!
