## SLAYTON SERIES DIRECT VENT GAS FIREPLACES

Slayton 60

### Kozy Heat Slayton Series Direct Vent Linear Fireplaces Features:

- Three sizes available: 36", 42" and 60".
- The Slayton 42 and Slayton 60 include a split flow burner system which can turn the flame down by 75%.
- Illuminated Floor Up-Lights System is standard.
- Curved Black Enamel Firebox Liner included.
- Radiant Heat Ceramic Glass is safer and produces more warmth into the room.
- Optional Traditional Log Sets in Oak or Driftwood.
- Full Function Remote Control is included.
- Multiple Safety Screen Fronts to choose from.
- Multiple Colors of Fireglass options.
