NORDIK 60TL GAS FIREPLACES

Introducing the newest addition to our Evolution of Fire Nordik Series – the Nordik 60TL ‘Tall Linear’!

Chosen as the 2024 ‘Attendees Choice’ winner for Best New Product in the Hearth Category at the HPBExpo in Nashville, the Nordik 60TL features:

- EVO Elevated Burner Design that creates a stunningly realistic fire.
- High-definition hybrid log sets that are individually hand-painted by our craftsman and bark artists.
- Impressive viewing area and serious heat.
- ‘Komfort Zone’ Heat Distribution Kit.

Standard Features:

- It comes in Traditional Log or Birch
- Viewing Area: 60" x 20"
- 51,000 BTU/hr Input NG
- 51,000 BTU/hr Input LP
- Electronic Ignition Pilot System
- Ceramic Glass
- Fan Kit Optional
- Standard Ember Light Kit
- Standard Top Light Kit
- Certified to ANSI Z21.88 Vented Gas Heater
